

## *Sea Buckthorn & Pomegranate*

Moisture therapy for your hands

**The Product**

**1<sup>st</sup> JULY TO 31<sup>st</sup> AUGUST 2010**

Weleda Sea Buckthorn and Pomegranate Hand Creams provide replenishing intensive care for dry hands to keep your skin soft, supple and smooth.

**Sea Buckthorn:** The biodynamic Sea Buckthorn berries are rich in natural antioxidant vitamins A, C and E, flavonoids and essential fatty acids, which provide intensive care and replenishment to the skin.

**Pomegranate:** Helps promote skin renewal with potent antioxidant organic pomegranate seed oil that helps protect your hands against signs of premature ageing such as sun spots.
